### Summary - MELRISE

Three-year-old filly fitter for two runs from a spell. By El Moxie from the Danehill mare Hillrise. Made debut last spring on the ThoroughTrack at Geelong where, over 1100m, she jumped well, settled just off the pace, and worked home soundly to finish third, beaten three-quarters of a length, behind Ambergris in a good form race. Raced on the turf at Geelong last start before a spell over 1203m where she was fourth early, got to third around the bend but only battled home, finishing at the tail and beaten four lengths behind Thornado. Resumed at Echuca with a big weight and wide gate, where she jumped well and was fifth throughout but under pressure soon after straightening and dropped out. Then at Ballarat the filly jumped well but drifted back to 2nd last in the small field of 7. Clicked along at the 500, the jockey pulled her to the outside from where she ran home well enough to fill 4th place. Missed the run when the recent Geelong meeting was abandoned due to rocks on track then scratched Bendigo Friday. Meets a field rated a few lengths easier than last time and looks suited by the longer trip. Drawn a little wide but rates a strong each-way chance where there is little between the main hopes outside the fav.

Hardest to beat are – Renaissance (placed both runs then spelled, rates best), Last Rites (sound debut and this easier), Melrise (better effort latest, this easier)

Second tier chances are – Tigerpuss, Van Der Star
